ABOUT ME

Dedicated and efficient full stack developer, with focus on user experience and efficiency, seeking to use proven skills in Javascript, databases, authentication, styling and payments. My development stack includes MongoDB, ExpressJS, ReactJS and NodeJS. Whether it's creating frontend in React, connecting to Backend with Node or Firebase and designing unique user experiences per device whilst still maintaining a consistent brand experience I will bring your ideas to life.

EDUCATION

> ST' CHARLES SCHOOL

MARCH 2003 - APRIL 2016
