ABOUT ME

Dedicated and efficient full stack developer, with focus on user experience and efficiency, seeking to use proven skills in Javascipt, databases, authentication, styling and payments. My development stack includes MongoDB, ExpressJS, ReactJS and NodeJS. Whether it's creating frontend in React, connecting to Backend with Node or Firebase and designing unique user experiences per device whilst still maintaining a consistent brand experience I will bring your ideas to life.

EDUCATION

> **IIIT Jabalpur**   JUNE 2019 - JUNE 2023
Computer Science & Engineering

Learning new technologies in the field of Web & App Development. Exploring the corporate world.
